

Subject: Request for Extension of Temporary Use Permit for 1340 Carmi Ave

Dear City of Penticton,

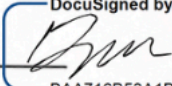

I am writing to formally request an extension of our temporary use permit for our athletic training facility, located at 1340 Carmi Ave in the industrial area. Our current permit expired on July 24, 2024 and due to personal matters I was unable to extend prior to that date. We would like to kindly request to extend our permit for another 3 years.

Our business, Skate With Power, specializes in skating and development for hockey players. The extension of our temporary use permit will allow us to continue to grow our company within our community and allow us to start to incorporate more training for youth athletes in our community. Both myself, and our other co-founder, Lars Hepso, grew up in Penticton and played in Penticton Minor Hockey. Lars is now the skating coach for the NHL's Utah Hockey Club, continuing his same role from the previous 6 years with the Arizona Coyotes. I was a local player, drafted by the Montreal Canadiens, and since my professional career has ended have moved back to Penticton starting my own family with our roots in our beautiful city. As local hockey people we want to be able to give back to our community and provide elite development opportunities for not only hockey players, but all athletes within our community.

We have received strong support from several neighboring businesses in our area, who recognize the value of our operations and the positive impact of extending our permit. Their endorsements are included below, reflecting their agreement with and support for our request.

1. **Business Name:** Broadview Landscape Inc.

- Address: 1362 Carmi Ave
- Contact Person:
- Signature: _____
- Date: 8/21/2024

2. **Business Name:** Penticton Towing

- Address: 1325 Commercial Way
- Contact Person: Taylor Kenyon
- Signature: _____
- Date: 2024/08/14

3. **Business Name:**

- Address: 1335 Commercial Way
- Contact Person: Taylor Kenyon
- Signature: _____
- Date: 2024/08/14

A vast majority of our development and skating programs take place at the hockey rink, specifically at the city's McLaren Park Arena. We believe that extending our temporary use permit will contribute positively to the continued development and success of our business away
